Subject: Muslim Youth Camp near Coralville

Hello Karen,

33-17 I understand that there is a concern over the Muslim youth camp, I do support the project. I believe that all the negative views are stemming from the negative publicity, and some many non-factual media reports.

Again, I do support the project, hope to see the camp built, and hope to see more understanding as its fruit.

Thank you.

Moutaz Kotob, Ph.D.
